* **Standard package for Executive Services**

This service is offered for IBCs as well as for Domestic Corporations, whether or not Novasol is Director or appoints nominee Director(s) for the corporation.

- A. Authorization from the Board of Director to Novasol Judicare Inc. to perform the following management services for the IBC:
- Maintaining necessary records of business operations for the IBC;
 - Receiving and sending mail, to and from the IBC's legal address when required and as required, otherwise from Novasol's address in Canada;
 - Draft agreements for the IBC, as needed in the co-operation with other businesses, particularly including a domestic sister corporation;
 - Execute and follow up of those agreements, particularly including invoicing and payment requests, and having agreements signed by the Director when needed;
 - Facilitate obtaining legal advice for the IBC as needed;
 - Performing other management services as required, including co-signing/management of bank account.
- B. Telephone consultations with the client, up to 2 hours per quarter, except first quarter up to 4 hours.
- C. Forwarding of mail via fax or e-mail, up to 15 letters per quarter.
- D. Sending standard mail, such as invoices, up to 10 letters per quarter.
- E. Other unspecified management and consulting services, such as telephone advice, draft of specific agreements and other business documents, and administrative tasks in excess of what is specified in C and D above, as agreed from case to case with the client.
